Call to Arab & African Doctors for Health Security in Africa

The Ugandan government through the Ministry of Health has cleared the health camp (as per letter attached) organized by Afro Arab Youth Council partnering with Kampala International University and agreed to be a partner and support this important event to take place in March coinciding with the 19th anniversary of the founding of the AAYC, we inform you of the following:

- Duration of the medical convoy: from March 3rd to March 11th, 2023.
- The location of the health camp: Western Uganda, in Tooro Kingdom, Kitagwenda District which is 296 km away from the capital, Kampala with a population of one million, in cooperation with doctors and assistants at the regional hospital and NTARA HEALTH CENTRE IV.
- Required medical specialities: General Medicine, Gynaecology, Ophthalmology, Anesthesiology, Paediatrics, Orthopaedics;
- Visas, Accommodation, and internal transportation, for all members of the medical convoy from March 2nd to March 11th, 2023, provided by the Afro Arab Youth Council.
- The council sponsors the economy class tickets for the volunteer doctors selected (Attach a CV).

This health camp represents a message of peace, love and solidarity between Arabs and Africans in facing common challenges, exchanging experiences, reducing health risks in Africa, and promising opportunities for investment in the medical field in the future.

**Welcome to Uganda, the Pearl of Africa, the country of peace, security, and stability.
Long live the Arab-African partnership.**
